

## **And Now....the 2009 Holiday Tour of Homes Sites:**

We have six homes from the McKinney Historic District along with three homes at Chestnut Square. We've also created a bigger and better Holiday Bazaar at Chestnut Square with our Chestnut Square Crafters Group and Farmers Market Vendors putting together handmade and homemade solutions for your Christmas gift giving! Dixie's Store will also be open offering fun and crafty items for holiday giving!

The Dulaney House will be open for the Holiday Tour decorated by Uptown of McKinney. The Faires House will be decorated by Smitten of downtown McKinney. Once again, the Johnson House will feature our Victorian porcelain doll display in a Christmass setting.

And now....here are the six historic homes featured on the 2009 Holiday Tour of Homes:
