Parking

Once you have unloaded, please move your vehicle. Parking permitted ONLY in designated vendor parking spots. *Remember that the closest parking is reserved for our customers.*

Market closure/bad weather

The McKinney Farmers Market is a rain or shine event. Closure/absence policy is as follows:

The market may be cancelled in the event of forecasted ice, sleet, lightening or high wind (“dangerous weather conditions”). You will be notified of cancellation by 5 pm on Thursday for Saturday markets. If the market is cancelled, your booth fees will be credited to a future date.

Each vendor should make the decision that is right for their business. If you choose NOT to attend a market, and you give notification by Thursday, 5pm, we will credit your booth fee to a future date. If you do not notify us by Thursday at 5pm, and you do not attend, no credit or refund will be given. If you cancel, and later decide you want to attend, you’ll be assessed the \$30 “day of” booth fee.

Vendors are expected to attend as they committed on their annual applications. It is detrimental to the market, to customers and to fellow vendors when vendor spots are left vacant. Our market, our customers and your fellow vendors count on all of us being there. Excessive absences with or without notification may result in loss of your assigned booth space and, in extreme cases, market management will assess necessary action.

In the case of a mid-market closure due to extreme weather, credit will be given to those vendors who are in attendance. We will be implementing a vendor communications mechanism for this and other emergency matters, including a missing child, loiterers, accidents or other urgent situations.

Professional Standards

1. All Vendors must behave in a professional manner at all times. Vendors may be suspended or revoked due to disorderly or disrespectful conduct, disruptive behavior, unsanitary practices, offensive language or attire.
2. Attire and grooming must be neat, clean and appropriate for the work being performed.

Suspension/Revocation Procedures

1. First violation = verbal or written.
2. Second violation = written warning and possible suspension from the market.
3. Third violation = suspension from the market for the remainder of the season.
4. At any time, any vendor may be asked to cease participation in the market, pursuant to market Rules of Operation #15.

Suspension/Revocation procedures may be invoked for any violation of the Rules of the McKinney Farmers Market, including but not limited to **product eligibility, food safety, signage, unprofessional behavior, attendance, set-up, parking, etc.** in the event of suspension or revocation, no fees will be refunded.

We know that your success as a vendor fuels our success as a market. And, the other way around! It is our shared goal to keep the McKinney Farmers Market the best market in north Texas.

The McKinney Farmers Market, as a program of the Heritage Village at Chestnut Square, is promoted through advertising in Edible Dallas, Dallas Drive Guide, McKinney Community Impact, KLAK Radio, neighborhood publications such as Stonebridge Ranch and Creekside Living, McKinney Courier Gazette, information pieces distributed state-wide, posters, billboards and signage throughout McKinney, and social media platforms.
